Global Citizens River Conservation Day

Keep OCTOBER 3, 2009 open for this year's Global Citizens River Conservation Day, which is a cleanup of the Kalamazoo River and its tributaries within the Greater Battle Creek area. It began through an international agreement from the city of Battle Creek's sister city relationship with Takasaki, Japan in 2001.

Anyone from kids to the elderly can get involved. Get your civic club, school group, scout group, or church organization on board! All are welcome!

Registration begins at 8:30 a.m.

at CO Brown Stadium
Bailey Park

Reasons to Attend:

- **Participate in a Community Event.**
- **Help keep our area clean!**
- **Be a part of an international effort with the motto, "Let's Think Globally Together!"**
- **Have fun**
- **Get a new T-shirt**
