Volunteers Needed!

Do you want clean water for your kids to play in?

Do you enjoy activities like kayaking, fishing and boating?

Then come help us protect our local waters so we can continue to enjoy them for many years to come!

Join us on Saturday, October 7, 2023, for the annual Krazy for the Kazoo cleanup and stewardship event. We're looking for individuals and groups to spend the morning walking along the Kalamazoo River, its tributaries and local parks to remove garbage and conduct a variety of conservation activities.

We will be working in small groups to allow social distancing and safe conditions. Please consider volunteering for this important community event! **Preregistration is required.**

Online Registration begins on 8/18/23 at
