Rain Barrels

**Comes in different sizes and colors. Prices vary. Add-on options available to help with installation process.*

WHY USE ONE???

- Lowers the amount of stormwater runoff.
- Helps prevent soil erosion.
- Saves rainwater for later use on indoor houseplants, gardens, or lawns.

Upcycle Products

***April 8, 2026, Pickup for those who pre-ordered only at DPW, 150 Kendall St. S between 4pm-6pm.**

Composters

**Stationary Composter is \$88.50*

WHY USE ONE???

- Yard & food waste make up 30% of the waste stream!
- Yields healthier produce.
- Increases our plant's ability to fight off disease and pests!
