Rain Barrels

The barrels are repurposed food barrels and come in different sizes and colors. Prices vary. Add-on options available to help with installation process.

Why Use One?

- Save rainwater for later use on gardens and lawns.
- Lower the amount of stormwater runoff entering our waterways.
- Help prevent soil erosion.
- Save money on water use!

Upcycle Products

Composters

*Stationary Composter - \$88.50

*Tumbling Composter - \$183.50

Why Use One?

- Keep yard & food waste out of the landfill. Food waste makes up ~ 24% of the solid waste stream!
- Improve soil health and conserve water.
- Promote healthier plant growth.
- It's fun!

Tumbling Composter
\$183.50

Battle Creek Area Clean Water Partners

A portion of the sales will be donated to the Battle Creek Area Clean Water Partnership for stormwater activities.
